Buzzy
DRUG FREE PAIN RELIEF®

The Best Solution for Needle Pain

"Buzzy® is an excellent product. I can't imagine how one can do a medical procedure without it any more."

- Dr. Annemarie Oberholzer

BuzzyHelps.com

What is Buzzy®?

Buzzy® is an FDA cleared medical device proven to CONTROL NEEDLE PAIN

-  **Fast**
-  **Easy**
-  **Reusable**
-  **Proven Effective**

How it works:

Buzzy® controls pain on contact using a combination of vibration and cold to desensitize nerves.

Clinically Proven Cuts pain in half!

In published randomized controlled trials, Buzzy® on average decreased needle pain by 50-80%

Using Buzzy® is simple:

Place proximal during IV access

Press Buzzy® firmly above the affected site during needle procedures.

Buzzy Research

- Increased first stick success 3x
- Pain relief equivalent to LMX in 1/10 the time
- Reduced vaccine pain 75%

BuzzyHelps.com

"Patients who have been afraid of giving themselves shots are amazed at how well Buzzy® works for relieving pain. Thank you for introducing us to this device."
-Tracy Lovell, M.D. Rheumatologist

"I had no idea that she had even stuck me... This is a huge step in life for me. Thanks again for this wonderful Buzzy®!"
- Matt S.

"My father was going to quit dialysis until we found Buzzy®. Dr. Baxter, you're a lifesaver!"
- Karen S.

Buzzy® Model Comparison

Mini Healthcare

More durable, two speeds, auto-off, includes 4 multipatient ice wings. Best for injections or on small areas (face, digits); tuck under included strap for phlebotomy.

Mini Personal:

One speed, auto-off, includes two reusable wings. Best for home injections, aches, stings, splinters.

XL Healthcare:

36% larger, toggle on off switch, includes 4 multipatient ice wings. Best for phlebotomy, injections, longer procedures.

XL Personal:

Best for aches and injuries, also effective for needle procedures. Comes with 2 10-minute ice wings (reusable) and fabric strap for prolonged procedures, icing or pain relief.

CE Three designs are available for most models. AAA batteries, instruction manual, and ice wings are included.
